

Heating and Cooling Curve Worksheet

Heating of a Solid

Where does each of the following occur?

Vaporization

10-14

Fusion

2-5

Heating of a Liquid

5-10

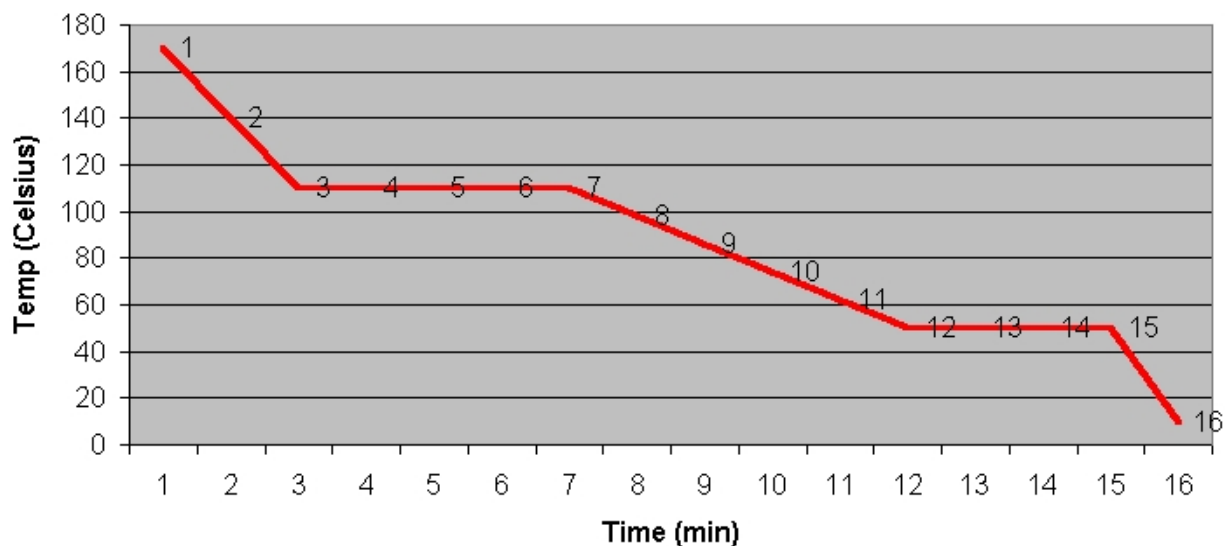

Heating of a Solid

1-2

Heating of a Gas

14-16

Cooling of a Gas

What is occurring between each of the following:

3 – 7

condensing

12 – 15

freezing

15 – 16

Cooling of a solid

7 – 12

Cooling of a liquid

1 - 3

Cooling of a gas

Where can deposition occur?

1-3
